ASSOCIATE PROGRAM:

Our Associate Program is a comprehensive hands on experience that provides training in the areas of technical skills, guest handling and business building. As an associate, you work with one dedicated stylist to grow into a skilled technician. The salon provides an environment for growth, learning and support. It is our commitment that every associate graduates from our program with a seamless transition from associate to stylist or with the skills necessary for success in our industry. We pride ourselves with our culture of growth and we are always on the lookout for potential associates. We are looking for individuals with passion, eagerness to learn and willingness to be trained and coached.
